I did this research under the guidance of my supervisor, Assistant Professor Dr. Jirapong Ruanggoon. My mentor's rich professional knowledge, rigorous teaching attitude, and high moral character, all these spirits of my mentor have had a profound impact on me. Dr. Jirapong Ruanggoon, Assistant Professor, has been giving me heartfelt guidance from the selection of the topic to the finalization of this research, which not only helped me to set up a more ambitious academic goal, but also helped me to understand a lot of truths about the world, and the mentor has always been caring for me both in life and in spirit. I would like to express my deepest gratitude to my advisor, Assistant Professor Dr. Jirapong Ruanggoon.

Also, this thesis could not have been completed without the help of various teachers and organizations. I would also like to thank my co-supervisor, Associate Professor Dr. Nitidetch Koothongsumrit, for his guidance and help in this research and for this thesis he helped me a lot. I would also like to thank Beijing Oriental Huibo for providing the necessary resources to help me with the extensive data collection, which is greatly appreciated!

I also received care and help from all my classmates in my life and study, thank you! Last but not least, I would like to thank my parents who have nurtured me with their efforts to grow up, thank you!

I would like to thank all the individuals and organizations mentioned above for their support and help, without which this study would not have been possible, and I thank you all for accompanying me on this amazing journey.
