

Acknowledgements

In the journey of completing this paper, I would like to express my deepest gratitude and respect to Asst. Prof. Dr. Jirapong Ruanggoon. His dedicated guidance and selfless support have been the indispensable driving force behind my ability to overcome challenges and complete this paper.

I sincerely thank Assoc. Prof. Dr. Tachapong Settabutr, Dr. Sookyuen Tepthong, and Asst. Prof. Dr. Jirapong Ruanggoon for their unwavering commitment to sharing their knowledge, experience, and wisdom with me. Their guidance, ranging from conceptualizing the paper to choosing research methods, and from data collection to analysis, has been with me every step of the way. Their wealth of experience and insightful perspectives have consistently pointed me in the right direction whenever I encountered difficulties. I consider myself fortunate to have their guidance, which has enabled me to progress steadily on the path of academic research.

I genuinely appreciate Asst. Prof. Dr. Jirapong Ruanggoon's guidance in the literature review. His rigorous expectations for the literature and attention to detail have greatly enriched my understanding. Through his guidance, I have learned how to deeply explore literature, synthesize different viewpoints and studies, and thereby form my unique perspective in the paper.

I extend my gratitude to Asst. Prof. Dr. Jirapong Ruanggoon for his assistance in the realm of statistics. His ability to explain complex statistical concepts and methods succinctly enabled me to comprehend and apply them correctly. His patient explanations and detailed guidance facilitated my proficiency in data analysis.

I want to convey my humble appreciation for Asst. Prof. Dr. Jirapong Ruanggoon's modesty. He leads by example and has taught me the attitude and qualities required for scholarly endeavors. From him, I have imbibed humility, perseverance, and the spirit of continuous improvement, attributes that will play a pivotal role in my academic and personal journey.

Additionally, I want to express my gratitude to the Faculty of Management Science, Dhonburi Rajabhat University for providing a conducive academic atmosphere and learning environment. Here, I was able to learn from my peers, mutually progressing in our academic endeavors. The school furnished me with abundant learning resources and academic support, enabling me to fully realize my potential.

Lastly, I wish to thank my family and friends. Their encouragement and support enabled me to persevere, overcome challenges, and complete this paper. Their companionship and care eradicated any feelings of solitude on my academic journey.

Here, I would like to express my heartfelt gratitude to Asst. Prof. Dr. Jirapong Ruangoon once again. Throughout the entire process of learning and research, his unwavering support has been invaluable. He tirelessly works until the early hours of the morning and is available for assistance even on rest days, always providing timely help to anyone in need. His attitude, guidance, and assistance to his students have been the driving force behind the completion of this paper. His influence will benefit me for a lifetime, making him a precious asset to my academic and life journey.
