

Acknowledgments

As time goes by, my graduate studies are coming to an end. During my studies at Dhonburi Rajabhat University, I have made friends with many knowledgeable and gentle teachers, and met many smart and lively students, which has been very rewarding.

First of all, I would like to thank my supervisor, Asst. Prof. Dr. Jirapong Ruanggoon. Asst. Prof. Dr. Jirapong Ruanggoon has been very patient in giving me professional advice during the process of research writing, from the selection of the topic, determination of thesis idea, the first draft, many exchanges and revisions during the period, to the final completion of the whole research.

Asst. Prof. Dr. Jirapong Ruanggoon's rigorous study, rich professionalism and ethical standards have touched me deeply and made me more determined to keep learning. I would like to take this opportunity to express my heartfelt gratitude and deep respect to my supervisor.

Secondly, I would like to thank my other supervisor, Assoc. Prof. Dr. Tatchapong Sattabutr, as well as my classmates who have spent time with me. During the time I spent in Thailand, Assoc. Prof. Dr. Tatchapong Sattabutr gave me a lot of advice and help in revising my research, and taught me a lot of study methods and experiences. When I encountered confusion in my daily study, my classmates were very united and enthusiastic to help each other, improve each other and achieve each other. Once again, I would like to express my gratitude to my teachers and classmates.

Finally, I would like to thank my family friends and the people interviewed who supported my study, with their support, I can successfully finish my research writing. In the days to come, I will not forget my original intention, keep my mission in mind and continue to work hard to move forward.
