

Acknowledgments

First and foremost, I would like to express my deep and sincere gratitude to my research supervisor, Dr.Lalita Puangmaha and Dr.Sittichai Farangthong, for their enduring support and much-appreciated advice throughout my dissertation. Without their invaluable guidance, this project would not have been possible. It was a great privilege and honor to work and study under their guidance. I am extremely grateful for what they have offered me. I would also like to thank them for their friendship and empathy.

The University of Business Administration for Dhonburi Rajabhat Department also give me help.Thank the school for providing me with a good learning environment and research opportunities.

I wishes to thank my parents, Mr. Song Changhuai and Mrs. Xun Guangmin who gave birth to me, bringing me up, teaching me life education, showing me right from wrong, good from bad, good judgement and morale support, giving encouragement through prevail all hardship and become successful in thie education and work.

Also, great appreciation is bestowed upon those who have been contributed through all data collection process.

Finally, I wishes to express my thanks to all experts and senior professional experts to provide useful professional advice and for some to verify the outcomes of the research and helped refine this research to be perfect and applicable for future use in the researcher's professional fields.
