

Acknowledgments

In the process of completing this paper, I am very thankful to the teachers of the school for their preliminary classroom guidance. Looking back on the past two years, I have acquired a wealth of knowledge that will benefit me for the rest of my life. I have also had the privilege of meeting many teachers and classmates who have provided me with valuable help and guidance.

From the selection of the topic and research design to the writing of the research summary, I have gained valuable experience and knowledge during this research period. These experiences will be treasures in my life that I will never forget.

I would like to express my heartfelt gratitude to my supervisors, classmates, and family members who have supported and helped me. It is your selfless dedication that has enabled me to successfully complete my thesis.

First and foremost, I would like to express my heartfelt gratitude to my supervisors, Asst. Prof. Dr. Jirapong Ruangoon and Dr. Sittichai Farlangthong. Asst. Prof. Dr. Jirapong Ruangoon is an outstanding administrator and educator. I will strive to emulate his rigorous, careful, and responsible attitude in my work and studies. His dedication, working day and night, commands our respect and admiration.

Despite the language differences between us, my supervisor has always been patient in assisting us and guiding us to rectify our shortcomings. From choosing the topic to finalizing the dissertation, my teacher has invested significant time and effort, and the exchange of ideas with my teacher has facilitated my gradual progress. I extend my sincere respect and gratitude to my supervisor, Asst. Prof. Dr. Jirapong Ruangoon.

I am deeply grateful to Dhonburi Rajabhat University for providing me with the opportunity to become a postgraduate student and gain knowledge in the field of business administration. I thank you all for your efforts in making my learning and experiences wonderful.
